## **Geography**

The United Arab Emirates (UAE) is an Arabian Peninsula nation, a federation of seven emirates: Abu Dhabi, Dubai, Sharjah, Ajman, Umm Al Quwain, Ras Al Khaimah, and Fujairah.

## **Climate**

Predominantly arid. In the summer months May-October temperatures can reach as high as 110°C, but from November - April temperatures tend to be in the 80-90s during the day, going to mid-70s at night.

## **Population**

The UAE's population is 9.2 million, of which 1.4 million are Emirati citizens and 7.8 million are expatriates.

## **Heritage and Culture**

Emirati culture is based on wider Arabian culture but includes Persian influences. Arabian and Persian inspired architecture dominate throughout UAE. Emirati clothing is a notably important part of UAE history and heritage and is a source of great pride. Men wear a white cloak ('kandura', 'dishdash', or 'thawb'). The women wear a long flowing black gown ('abaya').

## **FYI, BEFORE YOU GO...**

The Emiratis are a friendly, welcoming people – open-minded and tolerant of the more than 8 million annual tourists. But local culture and values should always be understood and respected, to ensure that you get the most out of your visit and enjoy a trouble-free, experience-rich experience

**Medication:** Check your medication before your trip. Like many countries around the world, narcotic drugs that are available as painkillers in the US are illegal in UAE, unless you have evidence that they are required for a medical condition. If you are traveling with any medications: (1) make sure you have a doctor's note or prescription; (2) keep medicines in original packaging; and (3) only take as much as you need for the duration of your trip based on your prescription.

**Alcohol:** You need to be 21 or over to drink alcohol legally in UAE. Alcohol abuse, drinking in non-licensed areas, or being drunk are all misdemeanors.

**Public Behavior:** UAE's laws promote modesty and respect. For example, offensive language, spitting, aggressive behavior, and public displays of affection are frowned upon. The streets are safe and pleasantly free of litter and must be kept that way.

**Attire:** Wear respectful clothing. Swim wear is only considered appropriate by the pool or on the beach.

**Travel Insurance:** It is imperative that travelers take out sufficient travel insurance, including coverage in case of COVID-related delays, quarantines or hospitalizations.

**Health and Safety Measures:** The health and safety of *Kosher Travelers* clients is an uppermost priority. In addition to government guidelines, *Kosher Travelers* has implemented additional precautionary measures to meet the highest standards as global service providers.
