The Jewish community of Rhodes has an historical background dating back to ancient times. During the past five hundred years, the background of the Jews of Rhodes was influenced principally by the Jews who fled Spain at the time of the Spanish Inquisition. Large numbers of Sephardim traveled across the Mediterranean Sea to the Island of Rhodes, as well as other cities such as Salonica, Istanbul and Izmir. The descendants of the Jewish people from Spain are known as Sephardic Jews, because the Hebrew word for Spain is Sepharad. Since the large migration of Jewish refugees from the Spanish Inquisition, the Jewish community on the Island of Rhodes spoke the Ladino language (also called Judeo-Spanish) which is similar to modern day Spanish. During its height in the 1930s, the Jewish community had a population of approximately 4,000 people.

The Kahal Shalom is the oldest Jewish synagogue in Greece, and the sole remaining synagogue on the Island of Rhodes used for services. There were once six synagogues and prayer halls in the Jewish Quarter (called “La Juderia”). The Kahal Shalom is located on Dossiadou and Simiou Streets and is believed to have been built in the year 1577. The full name of the building is “Kahal Kadosh Shalom” (Holy Congregation of Peace). It is used for prayer services when visitors or former residents and their families visit the Island for Friday night prayer services, High Holiday services and for special occasions.

David & Chana, Shelley, Yossi, Dina, Ariel and all at Team Kosher Travelers!

As we approach our first Shabbos after Rhodes, our nearly 30 BA'H family members are looking around for our monster table on the PR level and can't quite understand why the spread of delicacies isn't quite what it was this time last week. Or the week before...

It's therefore an appropriate time to thank you all for the most positive, relaxing, fun filled and meaningful holiday we have ever experienced as a family.

From start to finish, it has been an absolute pleasure to deal with you all. The logistics of our booking were not the easiest and, throughout, you helped find solutions that made things work. We were overwhelmed when we arrived and equally overwhelmed when we reluctantly left! The attention to detail was unparalleled throughout; the location was beautiful and the class with which you all operated was something hugely impressive.

We chose Pesach to celebrate a momentous occasion in Sue & Alfred's lives and you helped us fulfil that celebration in style and love. And for that and a fabulous 12 days and nights, we will be forever grateful to you all. Keep doing what you do and with the usual smiles on your faces; it is a unique and superb example to your industry.

Wishing you all a Shabbat Shalom and with love and thanks always

Sue & Alfred and the entire Birnbaum, Newman and Shebson families, London and Beit Shemesh

David and Chana,

Thank you again for an incredible program and meaningful Pesach. I truly appreciate your kindness in inviting me to join you and your family for Shabbat meals. It was fun!

I am happy to speak to any person to tell them how wonderful the program was.

Both of your passion and understanding/expertise in this business is evident. You took care of every detail and it showed. It made a huge impact on my family's Chag experience.

Thank you again.

Mimi Samter, New York

We truly enjoyed our Pesach vacation with Kosher Travelers in Rhodes. Great program. David and Chana Walles came over to each of us personally and introduced themselves on first day- they were extremely welcoming and accommodating. Food great and plentiful. Staff amazing. Good camp and entertainment. Beautiful hotel with nice grounds and stunning trails in the area. Very well-organized luxury program. I would definitely book with Kosher Travelers again.

On behalf of Effie, myself, Chaim, Leslie, family, Yaakov, Shanna, and family--- many many thanks for a beautiful Yom Tov!

You truly are an amazing host and hostess! You care about your guests' experience, and we felt your warmth and genuine concern the entire time!

You are not afraid of feedback--which shows how committed you are to providing the ultimate Yom Tov!

We had a fantastic time!

It is depressing to read about how many programs run out of food, matzah, had too many guests, and a variety of other complaints. Kudos to you for making sure we were not lacking anything!!

We never felt like there wouldn't be enough--the tearoom was constantly being refilled--the food in the dining room was constantly being refilled--the desserts were over the top delicious and plentiful-- there was matzah--there was everything we needed for the seder! There were so many delicious dishes and meats and salads and fish! This takes a lot of work and organization and planning to get everything you need to the hotel and more!

We thank you for that! We even had omelets the day we left--this is the gold standard!!

We save all year for this treat and to take the kids for an incredible vacation and you made it superb!

The hotel staff could not have been nicer---they did an amazing job keeping the hotel pristine!

Yashar Koach for arranging such a fabulous Pesach and letting us stay for an incredible bonus Shabbos! The icing on the cake!

Dear Chana and David

After a smooth flight, we finally arrived home a little more than an hour ago, and with the first wash on and takeaway pizza eaten, I wanted to thank you - on behalf of all of the Willmans - for a wonderful Pesach with Kosher Travelers in Rhodes. We had such an incredible time with you. The location, food, programme and your team were all amazing and we wanted for nothing during our entire stay.

We look forward to the opportunity to join you again in the future - perhaps Dubai one day!

For now, I hope you are able to get some well-deserved rest.

With best wishes

Leah Willman, London

Dear David and Chana,

We are writing to thank you for the wonderful Pesach, at the Elysium, we celebrated with you, your extended family and guests. Moreover, we extend to you a second thank you for convincing us, the entire Schuster/Korros family, to "take the plunge." It was so much fun for all of us to be together, over the holiday, in such a beautiful place. The entire experience was "over the top," including the hotel, the food, the programs the atmosphere, truly everything. We marveled at how organized you were. It all went like clockwork, and we appreciate how much work the two of you and your team put in both ahead of, and during, the holiday to make that happen. Kol ha-kavod to you. We wish you more successful tours and Pesach programs in the years to come. Keep up the good work!

Fondly,

Raya & David Korros, Modiin

David, Chana, Shelley and the whole staff.

I wanted to say a huge thank you to all of you.

The Pesach program in Rhodes was superb, outstanding, perfect without a glitch. Your responsiveness was incredible and attention to detail unparalleled. You spared no costs in pleasing everyone and went above and beyond.

Thank you for an impeccable experience. I can't say enough good.

Many thanks,

Gail & Dovi Paritsky, Tel Aviv

Dear David and Chana,

The experience in the Danube tour was very good .Hawaii 5 star program was unforgettable and first opportunity to cover all places with delicious Kosher meals.

This year for Pesach in Rhodes you superated yourselves in every aspect. The resident scholars left a positive mark on the entire group and all without exception were approachable for personal contact .The food and respective Kiddush and beverage selection aside having gourmet status, which is a great challenge considering the size of the crowd, had daily innovation for satisfaction of the most finicky elements (myself included)Rooms and service were beyond reproach. The Baalei Tefilla and the duration of the Davening was uplifting, and the icing on the cake was the choir. We look forward to our next trip together, wishing you continued success.

Dear David and Chana

I want to thank you both for orchestrating a totally amazing and completely successful Pesach prog at the Elysium , Rhodes.

We both felt highly motivated, involved and made many new friends.

I was analyzing why the 10 days was such an outrageous success and the following 5 points came to mind :

The island of Rhodes is an idyllic location with its natural beauty and rich, though tragic, Jewish history. There is simply so much to explore and see. The position of the hotel is triple A, nestling right on the warm Med and the rooms were so comfy.

The Elysium Hotel delivered a level of friendly and efficient service beyond our wildest expectation. The staff, in their entirety, could not be more helpful and pleasant to deal with.

The cuisine was of the highest quality and a very big Yasher Koach to the kitchen staff and Mashgichim.

The details of the daily program were a scientific work of art with something for everyone from 3 years to 80 ! The planning thereof was exceptional and, being an annal bean counter myself, I was highly impressed with the structure and content of the various activities.

And finally, all the participants spoke English !! What a win. We could converse and get to know one another without the barrier of a foreign language. We met many new fascinating individuals and families whom we'll endeavor to remain in contact in the year ahead.

So, all in all, a wonderful and unique experience and clearly a model you've created which has been positively accepted and PG will grow from strength to strength in the years to come.

Shabbat shalom and once more, Toda Raba from Leora and I.

Kind regards,

Hi David and Chana.

I don't underestimate the huge (understatement!) amount of work that goes into making sure things look smooth on the surface of an event like this. You are both consummate pros and we have huge respect for your professionalism. Your kids are a true credit to you, especially Ariel who we dealt with the most. He has inherited your calm veneer and can-do approach to any challenge thrown his way. Nothing flusters him - he is polite and charming at all times, and his calm is contagious, even when challenges do inevitably pop up.

Thank you for making Pesach so special for Mum and our family. We made beautiful, precious memories together, which we will look back on for years to come.

Shabat shalom to you all back in Rhodes.

This really was the best Pesach program at The Elysium, Rhodes we have ever been to and we were extremely appreciative of everything.
